You and your wife
are disgusting. We
made it very clear
that we never took
anything from your
house!!!! You have
now gone and lied
and tried to say we
st

ole bank
statements and
credit card
information and
checks and
belongings. You are
both pathetic, and

(267) 918-7154

both pathetic, and
the jokes on both of
you bc we were
invited in by y

our son, and
simones address at
the time was your
house meaning she
had every right to
enter the home.
Good luck getting
anywhere with that.
Its comical

as well because
you truly have no
idea who your wife
really is and what
she has done

(267) 918-7154

she has done
behind your back
for your whole
marraige. You are
also going to find

out that your wife
conspired with
bruces brother to
have him
murdered. He didnt
die from line of duty
but lied and had
him killed because
he was worth a

shitload of money
death. So have fun
explaining that to
the FBI and the

snuuoag or money
death. So have fun
explaining that to
the FBI and the
state of VA district
attorney when they
come for both of
you. The only thing
I'm

not sure of is
whether you were
in on it from the
beginning or you
were just that
dumb and would
turn a blind eye to
the con artist that is
your wife.
